Regarding the attached annual report forms for Diamond Valley Water Users Corp.

Bradshaw Management was appointed by the ACC on April 16, 01 by decision # 63547. At this time we are not able to complete the attached forms due to the lack of information. I have requested check registers titles and deeds for DVWUC. To date I have not received any of this information. A formal audit of this Corporation would be necessary to uncover the information necessary to complete the annual report. I will be prepared to complete an accurate annual report upon completion of my first year of operations.

Tim Kylo

Pres. Bradshaw Management
Mgr DVWUC
